Property Owner Information

The purpose of this form is to enable the owner of property to render pertinent information to the County Assessor as conveniently as possible. Any questions with regard to this rendition or personal property assessments, should be addressed to the County Assessor.

This form must be completed in its entirety, certified, and submitted to the County Assessor. In the event of failure to do so, the County Assessor is required to assess the property using the best information available.

A listing of furniture, fixtures, machinery, and equipment owned and/or leased in said county by location, description, original year new, and original cost new is requested. (Please report inventory at cost.)

A listing of Leased equipment including lessor/lessee name, mailing address, description and location of equipment, original year new, and cost new is requested.

Property now owned by the taxpayer, but in his/her charge, as lessee, parent, spouse, executor, administrator, guardian, trustee, or otherwise, is to be rendered by the person having that charge, and separate lists shall be returned for each party claimed as an owner of property.

In accordance with Mississippi Code 1972 Section 27-35-45, Annotated (1995), FAILURE TO LIST FOR ASSESSMENT, AS REQUIRED BY LAW, ANY PERSONAL PROPERTY WHICH IS TAXABLE UNDER THE LAWS OF MISSISSIPPI, OR FAILURE TO PROVIDE THE TAX ASSESSOR WITH ANY DOCUMENTATION THAT THE ASSESSOR CONSIDERS NECESSARY TO VERIFY THE LIST, THE CURRENT YEAR ASSESSMENT SHALL BE INCREASED BY TEN PERCENT (10%).

The tax lien date in Mississippi is January first to March first. Property is assessed to the person who owned it at that time. If ownership is unknown or uncertain, then property is assessed to the person who was in possession of, or in charge of, the property at that time.

Time for filing is determined by the County Assessor. In no case, however, can it be later than the first of April. All owners of taxable personal property are required to file.

Personal property is assessed in the county and district where it is located, with certain narrow exceptions. If one person owns personal property in more than one taxing district, separate lists are to be made for each district.

Determination of true value for purpose of assessment shall mean and include, but shall not be limited to, market value, cash value, actual cash value, proper value, and value for purposes of appraisal for ad valorem taxation.

The County Assessor has the right to inspect any property, to propound questions, to examine books, records, and any documents relating to the ownership or value of property, the right to ascertain the amount of insurance carried, and must be provided, on request.

Objections to assessments are made to the Board of Supervisors at the August meeting each year. The Board of Supervisors equalizes assessments between and among properties on appeal, and may make adjustments to assessed values, accordingly.
